About This File

The final version of the 100 Season for Tecmo Super Bowl 3 is here.

As usual there are version A with Ravens and Browns (No Titans and Texans) and version B, with the opposite.

Attributes, Free Agency Points and AI are accurate to the 2019 season.

The Free Agency and Hidden Players sections are full of legends from the 100 series.

Because of these legends this is a different version from the one released in september 2019, the free agency players, so it's collectible.

The 2019 season is the road to Super Bowl LIV,

Enjoy!
