About This File

TECMO SUPER BOWL III 2019 SUPER BOWL LIV

Two weeks later but the 2019 version of TSB3 is here!

As you know there are two ROMs

- ROM A contains Browns and Ravens
- ROM B contains Texans and Titans

The schedule is fixed and the rosters are the most accurate posible to this date.

The AI is fixed and the Free Agents are for real.

The Hidden players were the best from the drafts those finished with 9 (1999, 1989, 1979 etc.

No 2009 cause some players are still playing)

Enjoy this 100 season and the final version to be released after the Super Bowl will feature other Free Agents and Hidden Players to celebrate the 100 seasons, so this is a limited edition.

Remember, there are Juiced and SuperJuiced versions.
