About This File

Joining the Tecmo Legends Rom (Each Franchise's All-Time Best Team) and the Best of the 90s Rom is the "Best of the New Millennium" Rom. As the name suggests, it features teams from the turn of the century, from the 2000 season to present day. Again, 28 franchises are represented in the SNES version, meaning the weakest two teams in each conference are out (sorry Bills, Browns, Lions, and Redskins)

Released July 14, 2016

The previous version was bugged a bit, I incorrectly applied the juice code which caused some trouble.
