My avatar is no longer a picture of me as an anime character.

My youtube channel: [https://www.youtube.com/channel/UCRCZ96laHDaW8xr5TZq3GUQ?view\\_as=public](https://www.youtube.com/channel/UCRCZ96laHDaW8xr5TZq3GUQ?view_as=public)

You'll see football highlight videos, anime-related content, and whatever else I want to put on there.

Actually incredible how much more "lifelike" Black & White tecmo looks.

And I mean that in no disparaging way.

Down with button mashing

That and the old time video filter that was used in that video
