I have been looking all over the board and haven't been able to find this. I was wondering where are the Large Helmet logo pointers located for Houston, Jacksonville, Tennessee, and Carolina in the new 32-team Rom. I can change the colors and everything else, just don't know the location of the pointers to direct me to the right spots (i.e.- Buffalo- x1008C C0A6). Any help, jstout maybe??

Thanks. But I also need the Helmet lays for the NFC West teams (all others are found at x23e59-23e74, but not those 4 teams).

x3f66a is where these start for the NFC West teams on the 32-team ROM:

x3f66a = 49ers (x40)

x3f66b = Rams (x41)

x3f66c = Seahakws (x41)

x3f66d = Cardinals (x40)
