Unverified this will force all skp games to end in a tie if the score is tied at the end of regulation

@fgqb#19nyj

SET (0x17F34, 0xEAEA)

This has been verified to work only in regular season games. Pasting this code will still allow playoff games to end up in ties...the cpu will award one of the teams with an

undeserved win, allowing them to move them into the next round.
