[Different Sprites by position](#)

By TheFes75

Please excuse my ignorance if this has been answered already, but is there a way in either TSB or Original TB to change the player sizes or use the sizes of players that was used in NES Ice Hockey. Attached is an example of what I mean. The O and D linemen could be the Bigger players. The Tight Ends, full backs, linebackers and some safeties could be the mid sized...
